NEDFi DATABANK JOURNAL
On North Eastern States Economy
(Economic Census)
Issue No-34

North Eastern Development Finance Corporation Ltd.

FOREWORD

The Sixth Economic Census (EC) covering all States and Union Territories of Indian Union was conducted during January, 2013 to April, 2014 and had been a joint effort of Central Statistics Office, Ministry of Statistics and Programme Implementation and the Directorates of Economics and Statistics of various States and Union Territories. The EC enumerates all establishments engaged in various economic activities including those in the unorganised sector.

The current issue of Databank Journal seeks to provide detailed analysis on structural aspects of establishments and the number of persons employed in establishments in the northeast based on data available from All India Report of the Sixth Economic Census. Analysis has been done for each individual states and inter-state comparison in respect of the above two parameters.

As per the findings of the analysis, Mizoram is the only state in the northeast where majority of establishments are located in urban areas with 64%. Majority of establishments are engaged in non-agricultural activities (excluding crop production and plantation) ranging from 79% in Mizoram to 99% in Arunachal Pradesh and majority are own account establishments (without hired workers) ranging from 53% in Arunachal Pradesh to 83% in Manipur. Further, retail trade (excluding motor vehicles and motor cycles) is the most common establishment in the northeast except in Manipur where manufacturing establishments are more in number. In employment, establishments in the northeast with largest number of persons employed are retail trade (excluding motor vehicles and motor cycles), education and manufacturing.

The Report provides inputs for the use of various stakeholders for facilitating important development and business decisions that will help in the growth of economic activities and business establishments in the northeast.

B. P. Muktieh
Chairman and Managing Director
